View TMC Terms and Conditions at www.thermometricscorp.com

Thermometrics Corporation requires the suppliers to:

- notify Thermometrics Corporation of changes in product and/or process, changes of suppliers, changes of manufacturing facility location
- maintain records of material traceability and product conformance for at least 10 years

Thermometrics Corporation and its suppliers, customers, and regulatory agencies reserve the right of entry to any place necessary to determine and verify material.

Vendors must comply to section 1502 of Dodd-Frank Wall Street Reform and Consumer Protection Act relating to "Conflict Minerals"

Thermometrics holds it suppliers to be in compliance with all State and Federal regulations in regards to all labor and environmental laws, as well as p
code of ethics in business
